

Newsletter Policy for Obituaries/Tributes

All Members: If anyone hears of a Hunstanton u3a member who has died, we will be happy to publish a short tribute in our Newsletter, with the approval of the family, if you would like to supply it.

Group Leaders: When a member of your group passes away, consider asking a fellow group member to write a few words which can be forwarded to the Editor of the Newsletter.

Please note: the Editor of the u3a Newsletter is **not** responsible for writing obituaries/tributes but **does** have the final say on what is published.

Due to publication dates, it may not always be possible to publish a tribute in the same month as that member passes away.
